

INVITATION!

The Sun Country Mustang Club (SCMC), founded September 18th, 1991, is a non-profit organization dedicated to promote the preservation, enjoyment and usage of 1964-1/2 to present Ford Mustangs, Shelbys and Mercury Cougars.

We are a club for all people. Do not be concerned if your car is not in show condition, most important of all is the enthusiasm and fellowship you gain by meeting folks with a common interest.

A newsletter is published and mailed or e-mailed to all members each month including information on club activities, shows and other events of interest throughout the northwest plus technical tips and automotive trivia.

Some of the activities enjoyed by members include tours, car shows, parades, breakfast runs, picnics, delivering Easter and Thanksgiving baskets, hauling high school royalty at various high school home coming events, our Christmas party, the annual January banquet, and our "Ponies in the Sun" car show every September at Sarg Hubbard park in Yakima, WA.
