General Meeting Minutes

SCMC General Meeting

January 27, 2018

Our Annual Banquet was held January 27 at the Holiday Inn in Yakima.

The 2018 Board was introduced: David Mitts, President; Harold Clark, Vice-President; Opal Duffield, Treasurer; Mary Clark, Secretary, Guy Anderson, Alternate Board Member and Mark Sires, Past President.

A special thank you was given to past board members and committee chairs for their hard work during the past year.

The membership voted to have their Christmas party on a Saturday and has asked Jan to schedule it at Sun Country Estates club house.

Board meetings will now be held at the Andersons on Gun Club Road.

Also a special thanks to Doug Heilman for writing our newsletters.

Respectfully submitted by Mary Clark

Thank you, Robert for
setting up this banquet.

Mary, you didn't mention anything as to
those who were dancing on the tables? ☺

Happy Birthday to the following members:

I noticed, while going through the records for birthdays it appears that I had over looked one for November 28th. Klistine, who is listed as the child of Ricard and Vicki Rettig. Sorry Klistine. D.H.

As I spoke of in last months' newsletter, there are a lot of activities this coming summer that each club member can choose to be a part of or not, (parades, car shows, pony trails, poker runs, etc.). Some of these activities there is money involved whether it is just the time and gas to get to them and/or entry fees. Some activities give you the choice of competition with others; But, as I stated earlier, for most of us we will choose what we do with our cars this summer with a financial lean to our thoughts. These thoughts might also be influenced be the location of these shows that we choose to attend. Maybe they will be a little expensive, like the S/Side High School show coming up, but you might have connections that might sway you one way or the other. Like some of us you might look at it as a worthy cause, and attend knowing that likely hood of winning anything is very remote. That is one of the reasons, we, as club members need to remember to make our car show one of the best. It is one of last of the summer season and many of those who attend, you can be assured, have attended many other car events. Ours needs to be something that they want to leave money in their "car accounts" to attend.

I received a ballot in the mail last month. It had to do with voting on funds for the West Valley School district. Of those who received this ballot as well as any similar ballots and didn't bother to vote; it got me thinking of what Walter Cronkite wrote in his book, "A Reporter's Life" concerning Americans who did not bother to vote;

'In emphasizing political manipulation rather than issues, the press has probably contributed to public cynicism about the political process. It is reasonable to assume that this, in turn, has helped lead to the disquieting decrease in the percentage of our qualified electorate that goes to the polls. That number has fallen so low as to be an international embarrassment. This vaunted democracy, beacon to the world, has the lowest voter participation of any major nation. The number of eligible voters who actually go to the polls has dropped below 50%. Thus, the majority electing our officeholders may be less than a quarter of our eligible population. That raises a question as to whether we qualify as a democracy at all.'

I realize this above information has little to do with any auto club, but I thought it was a very interesting statement. It gives me something more to think about when I get the idea that my vote doesn't seem to count, so why bother. I might have my thoughts concerning issues or people running for office, but these thoughts don't mean squat unless I take the time to vote.

A new teacher was trying to make use of her psychology courses. She started her class by saying, 'Everyone who thinks they're stupid, stand up!' After a few seconds, Little Larry stood up. The teacher said, 'Do you think you're stupid, Larry?' 'No, ma'am, but I hate to see you standing there all by yourself!'

Larry watched, fascinated, as his mother smoothed cold cream on her face. 'Why do you do that, mommy?' he asked. 'To make myself beautiful,' said his mother, who then began removing the cream with a tissue. 'What's the matter, asked Larry 'Giving up?'

The math teacher saw that Larry wasn't paying attention in class. She called on him and said, 'Larry! What are 2 and 4 and 28 and 44?' Larry quickly replied, 'NBC, FOX, ESPN and the Cartoon Network!'

Larry's kindergarten class was on a field trip to their local police station where they saw pictures tacked to a bulletin board of the 10 most wanted criminals. One of the youngsters pointed to a picture and asked if it really was the photo of a wanted person. 'Yes,' said the policeman. 'The detectives want very badly to capture him.' Larry asked, "Why didn't you keep him when you took his picture?"
