From: VELDA WELCH

SCMC Members, I just wanted to reach out to all to say, "thinking about you and hoping everyone is staying healthy".

If you are like me, it's a scary time we are in. I am trying to stay positive. If we follow the guidelines, let's hope this will go away and we can get back to life as we know it.

My best to you, Velda

EDITORIAL; There are no doubt other club members, of various clubs, that have been looking forward to begin the car show season, to get their vehicles out for others to enjoy, but unfortunately list year will be quite different from past years. I was so ready the other day that when I went to change oil, I forgot to remove my hood pins (real hood pins hold a hood really tight).

There are a lot of shows that have been canceled. Some are listed in this newsletter and others that the club members are aware of and have been notifying other members, via e-mail, of these cancelations.

Each of us who might be planning on attending a car show, parade or any other type of activity (even if it isn't a car activity) should be checking to see if the event has not been canceled. D.H.

² What lies behind us and what lies before us are tiny matters compared to what lies within us.

COFFEE STOP:

If we start the 2nd shift at 1:00 PM it would be an 8hr. shift to 9:00 PM. If dark before that, close and leave

At this time, we have the following times available. Please let me know what shift(s) you would like to work.

Friday; June 19th 2020, Opening day light 5:00AM – 1pm -Dick and Sandy LeBret, Velda

Friday; June 19th; 1PM to closing 9:00 or dark: _____

Sat. June 20th; 5:00 AM --1:00 PM: _____

Sat. June 20th; 1PM to closing 9:00 or dark: _____

Sun. June 21st; 5:00 AM ---1:00 PM: _____

Sun. June 21st; 1:00 PM to closing and take down, _____ Heinz and Doris Humann

I plan to help with closing along with Heinz and Doris, but I feel we need at least one more person to help in taking down, and bringing everything home. That if someone will help us, maybe with a pickup or van, anything to load equipment would be great.

Let's hope by that time, everything is back to normal and we can bring some money home for the club.

The following supplies are also needed: Coffee (non-instant), Lemonade, Coffee creamer (non-packets), Sugar (non-packets), Cocoa (non-packets) – *[packets cause unnecessary trash laying around the area, which is our responsibility to clean up.]*

I need your help, Velda

EDITORIAL (continued); I have heard that some people are buying gift cards or take-out meals from food services they normally would have had a sit-down dinner. At least one of our members is doing that and I'm sure there are more than just the one. I heard on the radio, the other day, of a member of a different local car club whose members have taken it upon themselves to go to the place that club held its meetings and buying gift certificates for use at a later date, or buy take out. This was strictly voluntary with all the club members, with no club funds actually being used.

I was thinking about those clubs who canceled their car shows and thought, 'What if that was us who had to cancel' (it might still be, who knows). Maybe it wouldn't help that much, but what would it hurt if, those who would have attended the show anyway send in the registration fee to that club as a true donation to that club? Even going so far as determining how much the fuel to have driven there would have cost, the food and possibly the overnight stay would have been and throw that in with the donation. Just a thought.

If the club canceled early enough they might be able to recoup some of the expense due to the cancelation, but it will be a sparse donation (if any) to the organization they might have been trying to raise money for; even if a portion remained with the club to cover expenses they might have for the remainder of the year. A tight belt all the way around. Like I said, just a thought. D.H.
