March 10th and 11th inside the Yakima Convention Center 100 (93 were official entries) (ain't got enough finners n toes ta count to hundrd) of the most beautiful cars, motorcycles, trucks, funny cars, dragsters, rat rods, classics, imports and who ever I am forgetting assembled to put on a fantastic show. The diversity and uniqueness each and every entry was amazingly awesome. I don't care if you are a Ford, Chevy, Mopar (notice I almost listed that last GUY), Import fan these beauty's shined. This is one of the most comfortable shows for me to go to because you don't have to worry about your car for 3 days, except when the bikini body builders with the spray tans leave butt cheek marks on your passenger door. It is well worth considering for next year. Also at the show were Duffy and Elaine Webb, Dave and Marcie Mitts and Leroy Dukes.

Thank you to Claud for this write-up

I also received a rumor that there were approx. 300 vehicles at the Sunnyside Hight School show.

An old farmer in Kansas had owned a large farm for several years. He had a large pond in the back, fixed up nice, picnic tables, horseshoe courts, and some apple and peach trees. The pond was properly shaped and fixed for swimming when it was built. One evening the old farmer decided to go down to the pond, as he hadn't been there for a while, and look it over. He grabbed a five gallon bucket to bring back some fruit. As he neared the pond, he heard voices shouting and laughing with glee. As he came closer he saw it was a bunch of young women skinny-dipping in his pond. He made the women aware of his presence and they all went to the deep end of the pond. One of the women shouted to him, "We're not coming out until you leave!" The old man frowned, "I didn't come down here to watch you ladies swim naked or make you get out of the pond naked." Holding the bucket up he said, "I'm here to feed the alligator." Moral: Old age and cunning will triumph over youth and enthusiasm every time.

Thank you; Jan Anderson for this list of up-coming activities as well as the details of each.

As you can see, there are a lot of activities concerning car shows and parades. I have found that a lot of the local area events have not been up-to-date, so don't hang your hat too heavy concerning the dates listed (I believe most will be close, but you might check the event out yourself as to the date, when any applications need to be in and if they are car shows, if there are limits to the vehicles year.)

I would like to challenge each of you to look over the list of vehicle activities to double check the dates as listed. Please let me know of any changes of dates need to be made. Thank you; Doug
