Planning and executing; car shows, festivals, parades can be very fragile. Some of us can look back and remember some of the car shows that are not around anymore, Run to Roslyn, Best Car Show by a Dam Site, and others. These were good shows, but they all take workers to pull them off. With 2020 it gave a break in the planning and working of these events and I wonder how many people found other things to do. It shouldn’t be the idea of winning a prize, whether a t-shirt or trophy, it should lean more towards the service we can provide to others outside our club. Even though a coffee stop doesn’t earn much of any money we are providing a service and to those who don’t see that you don’t work either late enough or early enough to see **AND** hear the truckers’ saying thanks for the service we provide them. So, try to remember what our club does for others is not necessarily just for us, but for others. D.H.

Information from the Inland Northwest Falcons club. "I have been helping with an estate in Cle Elum that had a bunch of Falcons and hoards of parts. There is a 6 cyl Automatic 65 Mustang available. It's a serious project and will need floor pans, right fender and left quarter panel for sure. If anyone in you group is interested that can contact me directly. Not sure what the price will be but, based on its' condition I probably wouldn't go any higher than \$2K. Scott Zimmerman (509)929-3790
