² A friend is a present you give yourself.

As you can see, there are a lot of activities concerning car shows and parades. I have found that a lot of the local area events have not been up-to-date, so don't hang your hat too heavy concerning the dates listed (I believe most will be close, but you might check the event out yourself as to the date, when any applications need to be in and if they are car shows, if there are limits to the vehicles year.)

Hi All,

We need to get moving on getting Sponsors for this year's show. Please review last month's newsletter with a list of last year's sponsors and which club member obtained the Sponsorship. We will let the person who got the Sponsor last year try to get this same sponsor again this year, so these businesses will be again be asked by the same club member, as listed. If you got one of these sponsors last year and cannot do it this year, please let us know so we can have someone else do it. Any other business is fair game. Sponsorships should be \$50.00 or items we can give away or raffle. Please use the Sponsorship Receipts, leaving the sponsor the PINK copy. Press hard when filling out the form so it goes through all 3 copies.

Thanks.
Mark

News from Velda:

Mary Pooler went back home from Good Samaritan June 1 (*very good to hear*). She has therapy at home (*therapy can be a real pain, literally, but necessary*). Mary can get around in the house with a wheel chair. She manages to get the door open to sit outside. Really is happy to be home. Gus is learning the ropes in the kitchen.

Zee, Jan Gipson and I had lunch today at Provisions Restaurant in Terrace Heights. Jan and Lee Gipson were charter members.

Lee" begged" (I'm sure he had to pay for some) scrap pieces of Oak for our first Apple trophies. Oak was very expensive. He was at King Bros (a cabinet shop) quite often. He cut the apple out, made a notch in the top for a stem then cut a stem with leaf separately. Lee finished the apple, then our club would gather on a Sunday to paint the brown stem, green leaf then glue it into the apple. They were absolute beautiful! There was always snacks and soda, maybe a little wine, a lot of laughs and lots of green fingers. Good memories!

Velda

(the trophies Velda mentions would rival ANY trophies handed out. I was very for fortunate to receive one; Doug)

More news from Velda:

I got a call from Bill Hinman, asking when the June meeting is. He was sorry he missed it. He just got his car painted and wants to have it in the car show this year! He said he doesn't drive any longer but Nita will drive it. He tells me he has good days and some not so.

Bill, we hope to see you at some of the other events before the car show.

Thanks for keeping in touch.

³ When a man has a 'pet peeve' it's remarkable how often he pets it.

News from Jan Anderson:

Our club yard sale held on June 1st and 2nd at Sun Country Estates, (Guy & Jan Andersons and Joe & Rhonda Jorgenson homes) made \$700.00. Thank you to all the members who donated items for the sale and participated in the sale. A special **Thanks** to Joe and Rhonda, (Rhonda made pulled pork sandwiches for the crew working the sale) and Don and Pat Champoux. Thank you Velda Welch for the cookies you donated to sell. The proceeds will go to our club's charities. All of us working together made this happen.

Thank you.

Jan Anderson ☺

Friday Nights:

- **Hot Rod and Motorcycles; American Reflections Car Club**

A Yakima Washington based car club consisting of over 25 member families and their Classic American Vehicles. We have opened up the club to include American Vehicles of any year. We're putting together a hot rods and motorcycle event! Our last one was scheduled for Friday, June 29th from 6pm to 9pm at the BURGER BROILER in Yakima at 1227 S. 1st Street. For now, it will just be a get together of hot rod, classic car and motorcycle folks. Hopefully it will continue each Friday night throughout the summer. We have plenty of space and the food is great. So far, 55 to 60 cars are showing up at each event, with more to come as the word gets out. We have give-a-ways including Burger Broiler Meals as well as music each week. There is no radio station to co-host, but who needs one of those anyway?

July 21st 2018

Hi Doug,

If it is not too late my parent's estate sale is going to be on Saturday July 21st at 501 Walnut Lane, Grandview WA. 98930 and will open at 8:00 AM. There will be a little bit of everything you can imagine there from furniture to car parts.

Jim

July 20th – 22nd

- **Mustang Northwest 37th annual Roundup**

This one of the largest gatherings of Mustangs in Washington State, if not the US of A. This one of those events that if you choose not to participate with your Mustang you should at least go to and see the activities. One Sunday, the 22nd, they will have a peoples' choice Mustang show; much like ours only be prepared to see 1,500 or so Mustangs. Some of these are even better than those you might view during the judged show (less than \$45.00 – \$90.00 to enter the people's choice show). Some people don't realize that you can enter the judge show and be placed in a category where they don't even look under your car or even open your hood. The main goal of this show is to let you know how close your vehicle might be to concours correct, if you're interested in that type of thing. In the judged show you might only have 4 or 5 in your class. Yep, this is the BIG circus and I didn't even mention the part of being on a pony trails with 400 other Mustangs. (*memories from Doug*)

July 28th 2018

- **Convoy for Wishes and Dreams:**

Located beside Minor's at the Valley Mall. Begins with a pancake breakfast, 7:00 - 9:00; \$5.00 per person. We will line up for the convoy starting at 9:00; Entry by donation, (suggested donation at \$5.00 a wheel). Yakima Police will decide where the convoy will take us. They also will be leading the convoy. Yakima Police have partnered with Children's Wishes and Dreams. This really helps defray the costs of permits and also the Yakima Police Officers gives of their time. **THANK YOU YAKIMA POLICE!!** The convoy will be finished around 10:00 with a return to

⁴ May you live all the days of your life.

the Minor's parking area. Awards will be given for various categories and door prizes, just for fun. Let's have a good showing from the Mustangs. *(Thank you Velda for this info. And for those who do attend this event, be sure to personally thank one, two or all the YPD officers.)*

July 29th 2018

- **Mustangs on the Waterfront**

This show is put on by the Kitsap Mustang Club. Unknown if anyone in the club will be making this drive, but it is one that you should experience at least once. It really isn't a bad drive and the downtown area of Port Orchard is very welcoming. It has been more than ten years since I've been to it, but this is the information as I remember; as you enter the bay area where the show is held a picture is taken of you with your car (at that time this picture was attached to the trophy, if you won one). The vehicles were divided up as to old and new generation. Each of these areas of old and new generation had space enough for different music to be played. They had a poker walk through town, which was only a block away. Town folk were very friendly. There were a lot of cars participating so we found the level of competition quite high. And like our club, the Kitsap club members do not vote on the cars. Even on a warm day the breeze coming in off the bay made it very comfortable. If anyone does attend I would be interested as to any changes you noticed concerning this show. *(memories from Doug)*

There is also information in this newsletter that does not necessarily involves our cars, but maybe something else a few members might be interested in attending. This is your newsletter so feel free to share.

Thank you for all the information I've received concerning this newsletter. I had hopes of getting it out a last week, but Amy and I ended up going to Montana and stayed a week to help Amy's sister and husband get some hay in for the winter. I also helped get a couple of trucks running while Amy canned some blackberry jam. Where's that bottle of Advil??? Returning to Yakima we had to wait for the re-opening of I-90, which was temporarily closed due to a brush fire at Vantage.

One more thing I would like to add: **IF** you are receiving a hard copy of the newsletter and would rather receive it via e-mail, let me know and I should be able to make that happen. **IF** you are receiving this by e-mail and would rather receive the newsletter as a hard copy, again let me know.
