The Treasure Valley Mustang and Ford Club is proud to be hosing the 42nd International Mustang Meet over Labor Day weekend in 2021. Save the date and join them.

IMM 42 IS NOW ACCEPTING REGISTRATIONS AND HOTEL RESERVATIONS. GO TO WWW.IMM42.COM FOR COMPLATE INFORMATION AND SHOW DETAILS. *(Info from Mark Sires)*

At the, Hot Rods on first street, in Selah, some of us witnessed a show car catch fire as it was heading for a parking place. Several attendees had fire extinguishers with them and was able to put out the fire and stop further damage to a very nice show car. I would like to highly recommend each of us carrying a fire extinguisher in our vehicles. D.H.

Planning and executing; car shows, festivals, parades can be very fragile. Some of us can look back and remember some of the car shows that are not around anymore, Run to Roslyn, Best Car Show by a Dam Site, and others. These were good shows, but they all take workers to pull them off. With 2020 it gave a break in the planning and working of these events and I wonder how many people found other things to do. It shouldn't be the idea of winning a prize, whether a t-shirt or trophy, it should lean more towards the service we can provide to others outside our club. Even though a coffee stop doesn't earn much of any money we are providing a service and to those who don't see that you don't work either late enough or early enough to see **AND** hear the truckers' saying thanks for the service we provide them. So, try to remember what our club does for others is not necessarily just for us, but for others. D.H.

Ole went into the doctor's office, all bent over and hobbling like an old man, Within minutes he came back out into the waiting room, miraculously standing up as straight as could be.

A man in the waiting room who had been watching him said in amazement, "My goodness, what happened? It looks like you're cured!"

Ole said, "Well, da doctor yust gave me a longer cane!"

Lena won first prize at the local supermarket which was a free oil portrait by a well-known local artist. As the painter was in the final stages of the portrait, Lena requested that a large diamond necklace be painted on the picture. The artist was puzzled until Lea confided; "In case Ole should live longer den me, I vant his next wife to go crazy looking for da diamonds."

Ole got caught in an automated speed trap that measured his speed using radar and photographed his car. He later received in the mail a ticket for \$40.00 and a photo of his car.

Instead of payment, he sent the police department a photograph of \$40.00.

Several days later, he received a letter from the police that contained another picture, this time of handcuffs.

Ole immediately mailed in his \$40.00.

Ray, brought up at the meeting, that he thought it would be a good idea if the Richland Mustang Club could be invited to our outings. Those present, at the meeting, were very positive to this idea. It would be great to open that line of communication with not only that club, but also with other clubs close by who might wish to join us.

Something else was brought to my attention and that was a touch on the names of those to started our club and how it was started. Is this written down anywhere? Not only the beginnings of the club, but our show, history of our coffee stop service, club logo, why are we actually a Mustang/Cougar club, etc. I'm sure some of you know the answers to these questions and more, but it would be good for some of us others in the club to know the history. It's a lot like our Nation, knowing the real history makes it easier to mis-understand and re-write our own history. D.H.

In looking for other events in Washington, I ran into information concerning a parade and car show in Winthrop, WA. on the 11th of September. Parade starts at 11am and then right after the parade the car show begins, ending at 3:30pm. According to the information I have you can register for the parade between 8:30 and 10:30. Though I have not heard of this event before, they say it's their 46th annual event.

One very last item, To those who did not get a chance to sign up to bring to the shindig at Duffields', I have a suggestion; bring *dessert*. Everyone can find room for dessert, or for me a big batch of deviled eggs would be good too. D.H.

¹ A little lie is like a little pregnancy; It doesn't take long before everyone knows. C.S. Lewis

² The obscure we see eventually. The completely obvious, it seems, takes longer.
