SCMC Board Minutes

July 16, 2020

Call to order at 7 pm outdoors at King's Row

Members present; Bruce, Doug, Craig, Dave, Velda, Doris, and Heinz

Bruce reported on more and more car show cancellations due to COVID19. There were reports of other car clubs not wanting to come to Yakima because of the high COVID19 cases reported in the media.

Dave reported calling the Greenway, talked to Kelly who told him we would have to be at stage 4 to allow the show to be legally held. The insurance company had no objection to holding the show.

Heinz made a motion to recommend we cancel our show, Craig second, this will be voted on at our July 22, 2020 meeting.

Doug is working on halting merchandise for the goody bags, any items already here hopefully can be used in 2021.

¹ The perfection of intention, in the end, it is all that matters.

The wood trophies are finished and will have to be paid for, but the plaques will be ordered next year.

The t-shirts are almost ready, there has been a delay caused by the machine that prints them.

Heinz reported that the club has a new federal EIN number since our old number was lost in the IRS records.

Scholarships and charitable contributions will have to be delayed for the present time.

Bruce suggested we have a mini show or a cruise on the weekend our show was scheduled. Suggestions welcome.

We should have monthly burger runs, again suggestions welcome.

Any suggestions for club activities that could be safely held would be appreciated.

Meeting adjourned at 8:05 pm.

Heinz Humann, secretary pro tem

Yakima Valley Trolleys Hosted a Social Distancing Poker Run Saturday, June 13th, 2020, 10 AM, \$10 per vehicle got you in the running for half the pot.

A group of us, Doug and Amy, Dave and Marci, Bruce and Gerene, Doris and Heinz, Jan and Guy plus a few more, met at the Bi-Mart parking lot on 5th ave. at around 9:45am. Closer to the start time we drove over to the Trolley building, signed in, paid our \$10.00 and received our maps directing us to our “card” stops

It's unknown how well anyone in the group did concerning their card hand, but after turning in our poker hand information we each had a picture of our car taken next to one of the trolleys. We were advised that each of these pictures would be on the trolley web site.

I don't know about the rest of the group, but for us, it was good to get out of the house and do something with the car.

Hello I met the people in the club back in the winter and attended one of the meetings. I was the kid with the 70 blue mustang project. I was wondering if I could meet with someone to help me figure out what I need to do to get my mustang moving in a forward direction. I moved to Yakima and now have a garage to store the car and work on it and I am not quite sure where to start. I know I am not very mechanically minded nor do I have the knowledge that a lot of the club members have. Thank you.

Mustangs on the Waterfront scheduled Sunday, July 26th 2020 was canceled. This is most likely not a surprise considering it is not possible to hold events for over 50 without Kitsap County reaching Phase 4 of reopening. That is very unlikely to happen by show day.

But Wait There's More!!!!

Mark your calendars for Sunday, September 13th, 2020.

Plans are underway for Kitsap Mustang Club Charity Show and Shine along the waterfront in Port Orchards. This event will be open to all Mustangs and Fords. It's going to be simpler, but fun!

Proceeds from this event will support local charities, South Kitsap Helpline, Fishline, and Kitsap Shine as details become available.

Mustangs on the Waterfront will be back Sunday, July 25, 2021!!!

(Keep checking the Kitsap Mustang Clubs' web site for further information)

Comments:

I'm the president of the Inland Northwest chapter of the Falcon Club of America. We are planning a PNW mini-regional Falcon show at Kelleher Ford in Ellensburg from 10-3 on Sept 12 to celebrate the 60th anniversary of the Ford Falcon. We figured it would be fun to have some Mustangs there to celebrate their "ancestors". There is no registration or awards. It's just a get together to celebrate 60 yrs of the Ford Falcon. At this time Kittitas County is in Phase 3 and the Farmer's Market is happening every weekend downtown. I suspect we'll still need to have to observe social distancing guidelines (including masks) but we want to have a car show and we'll do everything we can do make this happen. Please contact me if you have any questions.

The ability to grin in admiration at others' accomplishments, instead of sulking in envy. Instead of feeling envious, you just smile and go on and try to do better in your own work.

Compete against your own limitations instead of worrying about what imperfections you can find in the accomplishments of other.

Doesn't work that way for most people though; they seem to do the opposite. Guess because doing is a lot harder than whining.

Everybody fails in life, but it's when you can't pick yourself up after failure that you're in trouble.

Pain, like fear, can even be your friend if you let it. It sharpens your focus, and let's you know you're alive.

The world turns, and soon the last of the old generation will be gone. Scattered tribes will rule the continent. Perhaps in a thousand years the adventure will begin again. Meanwhile
