Doug, I know you just sent the newsletter. I wanted to get this to you before I put it off, until it was gone!

Several club members met Sat. morning at the Yakima Air Museum. We had time to go thru the museum, and listen to the speaker, then watched the P 51 take off. (maybe I can get David to fill you in a little on that. He also took pictures. We went to the Pep-R mint Stick. for lunch afterward. Here is the main reason for this---

David and Audrey Haynes had come from Bickelton SP? She told me they were going to celebrate their 50th Anniversary, so would be out of town for the CW/D Convoy. I thought we should congratulate them in the newsletter. Zee might know the date.

If so, I will send it on.

Velda

Congratulations to Dave and Audrey. And thank you Velda for this information. As you stated you didn't want to "put it off, until it was gone". This is a practice that all members should inspire to.

³ A friend is a present you give yourself.

Doug,

Here is a article about the P51 Mustang plane that was at McAllister museum.

On Saturday July 14th, a P51 Mustang airplane visited McAllister air museum.

Guy Anderson invited the Mustang Club to the event. About 10 members were there. If you had \$1,500 dollars to spend, you could go on a ride. The pilot talked a little about the plane and started taking people for rides. The plane sounded great and was fast. We then enjoyed looking around the air museum. Which is a treat in itself. Afterwards we all went to lunch at the Peppermint Stick. Thanks all who came, hopefully you enjoyed it. Dave Mitts

Thanks, Dave

- **Run to Red Horse in Ellensburg**

Eleven Mustangs met at the fruit stand outside of Selah and cruised the canyon road to the Red Horse drive-in in Ellensburg. The weather was great and the 45mph speed limit was ideal for this drive. We past a lot of people floating the river and several of them had a chance to see us in time to wave. The Red Horse Drive-In is set up as an old-style gas station/rest stop of days gone by. And, of course, the it got its' name from the Mobil gas flying horse. The lunch meal was good. Thank you to Ray for setting this cruise up.

Friday Nights:

- **Hot Rod and Motorcycles; American Reflections Car Club**

A Yakima Washington based car club consisting of over 25 member families and their Classic American Vehicles. We have opened up the club to include American Vehicles of any year. We're putting together a hot rods and motorcycle event! Our last one was scheduled for Friday, June 29th from 6pm to 9pm at the BURGER BROILER in Yakima at 1227 S. 1st Street. For now, it will just be a get together of hot rod, classic car and motorcycle folks. Hopefully it will continue each Friday night throughout the summer. We have plenty of space and the food is great. So far, 55 to 60 cars are showing up at each event, with more to come as the word gets out. We have give-a-ways including Burger Broiler Meals as well as music each week. There is no radio station to co-host, but who needs one of those anyway? (*Information from the American Reflections Car Club web page.*)

- *I had the opportunity to attend this Friday night meet on the 13th of July. It was a hot afternoon, but I had a good visit with a young Mustang owner who I found had family roots with the older Mustangs. He currently has a newer GT (sorry guys, but once the Mustang years get past 1996 I have a hard time breaking down the years.). He stated he had helped his Dad restore a couple of older Mustangs and was hoping he could keep his current Mustang "forever". Before we left I gave him a show flyer. I was also asked by a Chev owner about the flyer I was handing out to others. I showed him the area of non-Ford categories and he mentioned that he had heard about us and our show. It seemed as though he said this with a positive spin. (Doug)*

July 28th news:

- **Convoy for Wishes:**

This was staged at Miners Drive-in. Breakfast (\$5.00) was from 7:00am to 9:00am. Sausage and a couple of pancakes, coffee/juice. Convoy started at approx. 9:00am. \$5.00 a wheel to be in the convoy. Mustang Club was to donate \$100.00; Sports car club donated a little over \$1,000.00. Our club did win the prize for the most cars representing a club in the convoy with, I believe, 12 cars. The convoy itself took the group out as far as 96th Ave and Summitview. Yakima Police as well as the Yakima Sheriff's Department helped with the traffic control. THANK YOU: YPD and YSO.

⁴ I have noticed that folks are generally about as happy as they have made up their minds to be.

August 18th 2018

- **Potluck at the Cove at Rimrock Lake**

This one is a new one for me. Information from Jeff;

We have done this for several years. Gary, the owner of the cove has a very nice cafe that he no longer operates. He invites us to use it. He charges nothing. He also provides a wash tub of ice with pop and beer. The cafe has tables and chairs and a real nice sun deck. The club usually provides the main meal i.e. Chicken and it is a potluck. Members bring side dishes or desserts. The Cove resort is the first place on left west of the tunnel, Hwy 12. I would suggest bringing a lawn chair if needed. Jeff.

Meet at Bi-Mart on 40th Ave, Yakima and leave for Rimrock at 11:00 a.m.

[Additional information concerning this run; the highway department will be working on the bridge just prior to the tunnel and there is a good chance that the repair work will not be completed at the time of this run. If that is the case then we will need to take the back road around Rimrock lake. According to Jeff this road is paved, but slow due to sharp curves and extra traffic being detoured.]
