Door Prize and 50/50 Raffle: Remember to sign in and 50/50 can be purchased from Guy.

Fall Fling: October 9 starting at noon at Dennis and Opals residence. Address is: 8001 Duffield Road, Moxee. This is a potluck. Sign-up sheet was passed around.

Burger Runs. None

Upcoming Cruises and Shows: Please continue to check our website for upcoming shows and events. Several events were discussed during the meeting.

Future Meeting Place:

- Jan reported their club house is not available. Their facility is curtailing meetings and events due to the rise in Covid cases.
- Daniels in Selah was mentioned (Old Selah Mining Company) as a possibility.

- Sandy stated Roundtable would be available but could not accommodate the 4th Wednesday every month. Would require our club to possibly change meeting nights from Wednesday to something else.
- Ray stated Red Robin would be able to accommodate our group and could guarantee room availability on the 4th Wednesday of each month.

No decision made at this time.

Show and Tell:

- Mary and Harold attended the Rod Run in Ocean Park. Over 600 cars and lots of spectators. Also, possible exposure to Covid for all who attended.
- Mary and Harold also attended the Bickleton Community Days. Pie was great and a decent showing of cars.

Dues: As of October 1, dues are due!

Christmas Party: Jan stated we are tentatively scheduled for December 4 at their club house depending on Covid restrictions.¹

Banquet – January is the month for our banquet. Place to be determined. This is put on by our Vice President and if you have any suggestions, please contact Craig.

Officer Election – The Board will discuss nominations at their meeting in October and present those names at our October General meeting. Anyone wishing to become a Board member please let us know you are interested. Nominations will be open at our General meetings in October and November. Officer elections will be voted on at the Christmas Party in December.

NOTE: Harold and I will not accept nominations for Board positions. We both have served for many years. It was our choice to travel 150 miles round trip attending two meetings a month. We have three granddaughters who are in sports and we will be making memories with them. Also, the beach is calling us to spend more time there. Please consider accepting a position on the Board, the club needs your input and fresh ideas.

2021 Ponies in the Sun Wrap up.

- Pony Trails was a success and a nice drive.
- Majors' Mini Show was very popular and quite competitive.
- 89 cars were registered.
- Raffle went well and brought in a little over \$900.
- Food Truck ran out of food quickly, but those who ate their food stated it was very good. This food truck was given short notice to be at our show.
- Once all bills are paid, the show brought in just a little over \$4,000. Pretty good due to the small amount of cars entered this year.
- Marci brought up the need for the club to look at a new computer and programs for ballot counting. Those who are doing the work in the trailer have put up with old computers and outdated programs for years. (1995) programs.

Door Prize and 50/50 Raffle: Jan Anderson won the door prize and the 50/50 was won by Opal. Congratulations!

Meeting adjourned at 8:13 p.m.

¹ Address: 3701 Gun Club Rd in Terrace Heights off University parkway. Sun Country Estates # 76(the club house). Happy hour 5 pm., dinner at 6 pm. More details at our November club meeting.

Not sure what else we need to do to bring in more cars. Discussed the difficulty of the hill. Restrooms were clean and the staff was responsive when something needed done. The maintenance on the park was great. More of our new members need to be encouraged to participate in our show. The food was great, just a miscommunication on the amount of food needed.

Dues: They are due. Please give your dues to Doris.

Christmas Party: At the time of our Board meeting at date had not been confirmed.

- President: Bruce Docken
- Vice President: Craig Schenk
- Secretary: Marci Mitts
- Treasurer: Jim Herriman
- Membership Chairman: Dennis Duffield

At the October and November meeting, the club membership is encouraged to nominate someone or yourself. These positions are not hard. Bruce stated he would put together a list of what each position does.

Meeting adjourned at 7:42.

CMC Upcoming Election

Oct 23 at 9:48 AM

From: Bruce Docken [mailto:bdock2000@gmail.com]

Subject: Upcoming Election

Greetings SCMC Members,

It's the time for us to elect new officers for our club. At our Board meeting this week it was decided that we should give a brief description of the elected offices so members can decide which office they would be best suited for should they decide to give it a shot. I will review the procedure as described in our

Constitution and give a brief description of each office. I encourage members to consider running for an office. It really doesn't take that much time, maybe an hour or two per month depending on the office.

Any member in good standing (dues current) can be nominated for an Executive Board position. Nominations can be made at the general membership meetings in October and November. At the close of the November meeting the nominations will close. Election shall take place at the December meeting which traditionally is our Christmas party.

Absentee ballots will be available for those wishing to vote but can't attend the December meeting. Absentee ballots must be returned to the Secretary prior to the December meeting.

Executive Offices- (Ruffly paraphrased from our Constitution)

- **PRESIDENT-** The President shall preside at all meetings of the Members and the Executive Board. He/she shall manage the affairs of THE CLUB and carry out the decisions of the Executive Board.
- **VICE PRESIDENT-** The Vice President shall, in the absence of the President, perform the duties of that office, other duties include organizing the annual awards banquet, serve on all committees, and be our liaison to other clubs.
- **SECRETARY-** The Secretary shall attend all meetings of the membership and Executive Board to record minutes and votes. Other duties are to conduct correspondence, give notice of meetings. In the absence of the Secretary, the presiding officer shall choose a Secretary Protempore.
- **TREASURER-** The Treasurer shall receive monies and make payments of THE CLUB debts. Other duties include giving a financial report at every meeting of THE CLUB and to incur no debts or liabilities unless directed by the Executive Board.
- **EXECUTIVE BOARD MEMBER-** The Executive Board Member shall take part in the Executive Board meetings as a voting member.

The five officers above, along with the **Past President** make up the Executive Board of six.

There it is. We as a Board would love to get some "new blood" to get some new energy and ideas.

See you at the General Meeting next Wednesday, October 27 at 7:00pm at Sea Galley'

Bruce

I had the following items given to me from a cousin who is down-sizing and he came across some Ford parts that mostly came off of or he ended up not using in "rodding-out" some early model Mustangs (engine 289). He thought there might be someone in the club who might be able to get some use out of these items or we could sell them and be able to add to the club's bank account. Most of these items are used and those marked (*) appear unused. I wouldn't mind just getting them out of my garage, but they should be worth something to even club members. *D. Heilman*

News on the Poolers

News from the Poolers.

Gus and Mary have moved to Blossom House. They are fine. Decided life would be easier if they had a little more help.

It made me happy to hear they had made a list of people they wanted to keep in touch with. WE ARE ON THEIR LIST!

I have an address and phone # for them if anyone would like.

Subject: January Dinner

Greetings all,

As we've now finished up the official show season, it's time to move into "holiday mode". We briefly touched on the January dinner in our last meeting; I'm in charge of organizing this but will be leaving in a month for Peru (where Magnolia already is at the moment) and we won't be back until January, most likely after the dinner. I want this to be an enjoyable moment for the group, so to help out a bit in the planning I'd really appreciate if anyone has any ideas on venues? We'd discussed the members chipping in, somewhere in the neighborhood of \$20-25/person, so between that and some club assistance I'm sure we can come up with some good ideas!

email me at; cd_schenk32@yahoo.com.

Thanks!

Receiving Information about your activities

Good morning! My name is Michael Hood. I'm a Tri cities WA local who is currently the owner of a 1969 Plymouth Road Runner. But the 1967 / 68 Fastback has stolen my heart and I'm looking to come to the dark side LOL. I was speaking with Kevin and Roseanne Davis of the PNW Mustang Club and they said I should reach out to you, to see if you knew of any 67 / 68 Fastbacks for sale? I'd appreciate any information that you might be able to provide me with.

I was confined to the hospital the last two weeks of September and to be truthful even though my progress after release has been acceptable to some, to me it seems slow. I am back up to walking a mile or more most every day, but my muscles, lungs and heart are saying you are not as young as you use to be.

The newsletter might be a little more dis-jointed than those in the past, but I've had to search more for the e-mails and other news for this newsletter since they have been sitting in my computer all this time. Might take some closer reading on your part to sort out some of the time and date sequences.

Not to disappoint Bruce, I would like to add my 2-cents concerning some of the news I found.

- **First of all:** Have fun to Harold and Mary, both of you and a few others have put in your 110% (and then some) to help keep this club running smoothly. Enjoy yourselves as much as you possibly can.
- **Future Meeting Location:** Round Table Pizza, meeting the 4th Tuesday of each month beginning January, 2022. Not only a change of location, but changed the day of the week. My guess is that most of those attending will need to park in the Fred Meyer parking lot.
- **Thanksgiving baskets and Shoe Boxes, has been canceled.** Hopefully this will not be a continuing "ME" attitude, but will return next year.
- **Christmas Party/Awards Banquet:** The club Christmas party will be held December 11. I am assuming that this will be a pot luck and not something catered (as the banquet would have been)? If I'm not mistaken, in the past there was a charge for the use of this clubhouse. Will the members be paying as they enter or will the Mustang Club be picking up the tab and what will be the cost?

➤ **Show Season Wrap Up:**

- **THE HILL, THE HILL, THE HILL.** I can see that this might be an issue to show attendees, but other than those doing the 50/50 what members would be going up and down the HILL? Shouldn't the members be working around the gazebo once the show starts?
- Upgrading the computer system: I haven't thought about the computer system, but I have wondered why the club didn't use a small portion of the profits to buy items (on a yearly basis) such as a couple of folding tables or anything else that we seem to always be asking our members for their personal items. Should also be setting a certain amount of funds aside, on a yearly basis, for items like; computer systems, sound system, or any other "expensive" equipment that might be needed.
- More cars in attendance: I think we tend to forget the steps we felt we needed to take that could have changed to dynamics "cars in attendance". We decided to forgo the pre-registration (which took away the registration "discount"), we also raised the entry fee. Nothing wrong with either of these decisions, but they had to have some sort of impact.
- Issues that could not be altered concerning attendance: Our area was fighting a very large forest fire that was not only causing smoke, but in some places we had ash falling. It's hard telling what the west side of the state was being informed concerning the air quality we had. And the biggy that we seem to yearly just roll the dice and pray for no rain. Rain, or the threat of rain, either at the show site or from attendee's residence, is a pretty good reason not to attend a car show, pre-registered or not
- More of our new members need to be encouraged to participate in our show. This is a hard one. When I first joined the club, I didn't believe my car was "show worthy", so I didn't attend. It never occurred to me that I might still help with the show, car or no car. I see this more and more with the more senior club members. These members are depended on bringing so many items from their residence for the show they are not able to or choose not bring their "show car".

I was pleased to see some **GOOD NEWS** listed concerning the show.

- Pony Trails was a success and a nice drive (don't know the details, but nice to know)
- Majors' Mini Show was very popular and quite competitive. (competitive? Drag races?)
- Greenway restrooms were clean.
- Greenway staff was responsive when something needed done.
- The maintenance on the park was great.
- The food was great,
- Once all bills are paid, the show brought in just a little over \$4,000.
- Raffle went well and brought in a little over \$900.

I believe the best thing concerning this particular show, was that more members needed to step up and make it happen. It was my understanding that several members who had "regular" jobs during the show were not able to attend for different reasons. For lack of a better word, this "forced" or allowed others to step up. Thank you greatly for those of you who really made this show a success, no matter how many cars showed up or how steep the HILL. You climbed the HILL and found it really wasn't that bad after all.
