October will be when the club members will need to renew their club dues. This year we will need each of you to fill out a new membership form when you send in your dues. We need to make sure the information we currently have is up-to-date. The form has been changed a little so please take your time in filling out the information requested. A copy of the form is attached to this newsletter.

There are some club members who are currently receiving their newsletter via hard copy; if you dependently cannot receive the newsletter via e-mail then a hard copy will continue to be sent. When you fill out the membership form, please write on it that you would like to continue receiving a hard copy of the newsletter. If not noted then only an e-mail version will be sent.

SCMC General Meeting Minutes August 23, 2022

Roundtable Pizza, Yakima, WA

Treasurer's report: Checking: \$3,235.81; Savings: \$2,017.35

Jim Herriman thanked members for the good turnout at the Grandview Parade on August 11.

The Naches Sportsman's Day Parade is September 10. If planning to attend, meet at 40th Ave. Bi-Mart at 8:30 AM to cruise to Naches.

Next Tuesday night cruise in is September 6 at King's Row in Selah.

If club members aren't registered for Car Show, you can save \$5 if registered by September 1.

Sponsorships are going great, thus far we have 69 sponsors and have collected \$3450. More money was turned in at the meeting. If you have any sponsorships, please turn them in by September 1. Dave needs time to get programs printed.

The show meeting at Magic's Pizza on August 10 was well attended. Many details were addressed. Still jobs available, so please come and help.

A date for the Duffield Classic Car Show I will be announced soon. Thanks to the Duffields.

We welcomed a new member-Craig Lee. He recently purchased a very familiar car to our club. He bought Jan and Lee Gipson's 1964 ½ yellow Mustang. She will continue to be a part of our herd! Welcome.

John Mertell won the door prize.

Heinz Humann won the 50/50.

RECENT CAR SHOWS/EVENTS:

August 2nd - National Night Out, at Selah: There were approx. 8 club members in attendance. Even though the weather had been very hot for several days, we had a place to park in the shade of the trees. It was a very relaxing time and we had several good visits with those who enjoyed the variety of the Mustangs present. *By D. Heilman*

August 11th – Grandview Parade: This was an evening parade, but don't get this confused with dark and cool. When Amy and I pulled in at check in we found three other Mustangs behind us; (Dave, Bruce and Guy with Jan). Jim had us as close to the front as possible and since he didn't know how many of us would be there the people assigned to parking did a great job in fitting us in. While waiting for the parade to start we were able to visit with two other Mustang owners who were also in line for the parade. I almost did not go in the parade because our car wouldn't start, but when it did, I was not surprised that the fire department wasn't close by, boy did it ever smoke. The parade seemed long and unfortunately our Mustang heated up (it was a hot afternoon). The other three Mustangs no doubt was running their air conditioners, but we were running our heater to try to pull the extra heat from our motor. The crowd was very friendly. When we reached the end of the parade, we realized how unfamiliar we were with the town of Grandview as to how to exit and get back to the freeway, but all was good and we saw some countryside we don't believe we've seen before. Our Mustang was

heating up so much that we didn't stop to see how the other three club members were getting out of town. They probably knew a quicker way out than we did. It was all good. By *D. Heilman*

August 4th -7th – Vintiques: Received nothing concerning any club member attending this show.

August 13th- Kittitas County Fire District Car & Bike Show in Thorp, WA. Received nothing concerning any club member attending this show.

August 14th- Pierce County Mustang Club Show at Griot's Garage, Tacoma, WA. Received nothing concerning any club member attending this show.

August 20th- East Valley Reform Church Car Show. This was a good show, as usual. Oh yea, it was warm, but I believe they still got the number of cars anticipated, but I don't believe there were as many vehicles as last year. They had a live band, and for free eats there were; hot dogs, root beer floats, popcorn, water, and ice cones. And this "FREE" show even had goodie bags. There were several door prizes and the trophies were very unique. We had two members win a trophy.

In order for the parking crew to get some idea as to allow for the parking of the various classes of cars for the show all of our club members who will be attending the show need to pre-register as soon as possible. The registration forms can be located on the club's web page

The club received information from the Pacific Northwest Mustang Club that this will be their last fall show to be held at the winery in Patterson, WA. We were advised that the winery has been sold and major changes will be made with the grounds and at this point there will be no room for further car shows. The Patterson show is scheduled for, October 2nd, and if any of you have not had the opportunity to attend this show, I would highly recommend making the drive just outside of Patterson for this experience. It is a relaxing show on beautiful grounds (it might be more relaxing because our show is over with). You will need to check the Pacific Northwest Mustang Clubs' web page for more information concerning the show and for the registration form. In the past they have had one or two different food vendors, 50/50 chances, and of course wine tasting.

This Pacific Northwest puts on two shows per year, this spring they needed to change venues for their spring show and now they will be needing to look for a different venue for their fall show. Most of us know the challenges there are to put on one car show, I cannot hardly imagine the work load for two shows. In my thoughts; Pacific Northwest will be hard pressed to find a better venue for a car show than the winery in Patterson.

I had an issue with last month's mailing of the newsletter. Several of these were returned stamped "postage due". There was evidently a problem with where the staple was placed to hold the pages together. I was told that I needed to pull the staple, cross out the postage due stamp and re-send them. I will try that and hopefully everyone's news letter that was returned will be delivered with no further charge (or fuss or muss). This is the first time I have run into this problem concerning stapling pages, but I'm afraid those members who do receive hard copies with have to do without staples in the future.
